RE: Digital Millennium Copyright Notice

Dear Mr. Blanton:

Priority Dispatch Corporation ("Priority Dispatch") is the exclusive world-wide proprietor of the Advanced Medical Priority Dispatch System ("AMPDS"). The AMPDS is an emergency medical protocol system licensed to emergency dispatch centers throughout the world. The AMPDS includes, among other things, key questions, pre-arrival (ambulance) instructions, post-dispatch (ambulance) instructions, determinant descriptors, and emergency dispatch codes.

Priority Dispatch has expended considerable time, effort, and resources in developing its intellectual property and in perfecting its rights. Priority Dispatch has reasonable expectations that others will respect its intellectual property rights.

Priority Dispatch has recently become aware that a Radio Reference page at http://wiki.radioreference.com/index.php/Medical_Priority_Dispatch_System has posted unauthorized copyrighted information belonging to Priority Dispatch. Specifically, the copyrighted information we are concerned about is what the post refers to as the "AMPDS Codes" and "Priority System" and "Fire Codes" and accompanying tables and descriptions. The "AMPDS Codes" and "Priority System" and "Fire Codes" and accompanying tables and descriptions are part of the AMPDS, and as such are not authorized to be posted.

In addition, the website page contains unauthorized copyrighted information belonging to Priority Dispatch, or its licensors. The copyrighted information we are concerned about on this page are the .pdf files attached on the page. Specifically, <http://www.emergencydispatch.org/articles/princdocpull03.pdf>. This .pdf file is the exclusive property of Priority Dispatch, or its licensor. Priority Dispatch has not authorized the distribution of these documents.

In light of the foregoing, we respectfully request that you immediately remove these materials from the aforementioned web pages.

I have a good faith belief that the use of the copyrighted material described above on the allegedly infringing web pages is not authorized by the copyright owner its agent, or by protection of law.

I swear, under penalty of perjury, that the information in the notification is accurate and that I am the copyright owner or am authorized to act on behalf of an exclusive right that is allegedly infringed.

This is written without prejudice to our rights, all of which are hereby expressly reserved. If you require further information I can be reached at (801) 363-9127 or brent.hawkins@prioritydispatch.net.

Sincerely,

Brent E. Hawkins
General Counsel
